

GIRLS UNDER 21 HANDICAP SINGLES TOURNAMENT

29th-30th November 2014 at Radley College, Abingdon OX14 2HU

It is with great delight that this year's tournament is sponsored by Neptune Investment Management and will continue to be so for a further 2 years. As you may know, Neptune are great supporters of real tennis and in particular junior development so it is very pleasing they wish to extend their existing sponsorship with the LRTA to incorporate this tournament as well.

Building on the successful tournament last year and the encouraging number of girls who are playing more regularly and competitively, this year's tournament will again be held over two days. Competitors will be placed in round robin groups of similar handicap. Dependent upon the number of entries received, it is likely that we will play the younger and least strong groups on the Saturday and the older, stronger groups will play on the Sunday. If you have a specific school commitment on Saturday, please state the time of your availability on the entry form below. The format of these handicap tournaments is subject to change and is dependent upon entries. We will organise the tournament with the players' best interests in mind and to provide as much tennis as possible.

LRTA Tournament Rules will apply. Although it is encouraged, competitors do not have to be a member of the LRTA to play in this competition. Clothing should be predominantly white and the Tournament Committee's decision on all matters shall be final. Further details will be e-mailed to you together with the draw. Parental consent for those competitors under the age of 18 years will be necessary and should be completed with your entry form.

Closing date for entries is Saturday 8th November, 2014, (draws will be e-mailed to competitors by Saturday 22nd November, 2014). Competitors must be Under 21 years on 1st September 2014.
