

LRTA V Petworth Played at Petworth 12th February 2023

As ever, the annual LRTA match at Petworth was a jolly occasion, with old friends and new coming to Petworth, and there were some new faces on the Petworth team. The morning and afternoon doubles matches were played in a very happy spirit, Petworth won more of these, but the scores didn't really matter!

Lunchtime brought the usual delicious lunch-another of Helen Linfield's legendary spreads! And lunchtime also meant that doubles gave way to singles, with Georgie Willis and Geoffrey Russell giving an exhibition of quality tennis, with long rests full of seemingly impossible retrieves. Last year Georgie won, this year Geoffrey got his revenge! We hope they'll both be around next year for the decider!! Many thanks to Petworth for hosting the match, and Louis for all his patience and good humour as he marked the matches. The scores are below.
